About This Content

Get all the updates and full power of the Coding Runes with the Infinite Pack! With this pack, you unlock an UNLIMITED ACCESS to ALL ITEMS in the game and you will be able to download all updates for free. Create poetic or scary levels with new backgrounds included in the Infinite Pack. Unlock all items from the level editor and make your creation even more interesting. Customize your MagiCat as you want, try several style combinations with the additional skins that come with this pack.

-- FULL GAME DESCRIPTION --

What epic CATStruction will you build?

★ Build YOUR levels with YOUR codes:

With intuitive magic coding-runes, you'll be able to design your worlds. Add, remove, edit, everything is possible! In MagiCats Builder, you can design easy, hard, tricky and even crazy levels and create your own adventures! Backgrounds, bosses, craft and make your ideas come alive with all the different elements and items you will find in MagiCats Builder.

★ Share YOUR creations:

Share worlds you have created with a worldwide community. Challenge your friends in your levels and let the whole world try them out.

★ Create YOUR hero:

Customize your hero and play the way you are. With different skins, create your own MagiCat and clear all levels with style. In

MagiCats Builder, you'll be able to play with a hero who comes straight out of your imagination.

★ YOUR party game:

Up to 4 players can play simultaneously in a local multiplayer mode for even more fun! Challenge your friends the way you want in levels that you or other players have designed! Try to team up with your friends or beat them all, it's up to you!

★ YOUR voice counts:

Share your feedback and your input with us and our community on Discord. We answer in real time and are waiting for your feedback to improve our game.

★ FEATURES:

- Join an epic 2D sandbox platformer adventure.
- Create custom levels where only your imagination is the limit.
- Customize anything and everything using a simple coding tool.
 - Enjoy colorful, hand-drawn environments.
- Share your creations with the world and challenge friends.
 - Explore infinite levels created by the community.
- Create and compete with friends in 2-4 multiplayer mode.

* An Internet connection is required to play this game
