The game offers an interactive experience, allowing players to switch the gender of any characters, make all the rules of the universe whatever they wish, and then pick a path through the plot and play through the story – possibly multiple times. It was written over a year and a half, between February and December 2016, and can be played in as little as 20 minutes. Speedster of Valiant City won the 2015 Interactive Fiction Award for Best Overall Work, and was one of the three nominated games for the 2017 Ludum Dare game jam. Plot Speedster of Valiant City is set in the land of Valiant, a land far from Earth, where most people prefer to speak and write the language of the Earth-humans known as "Earth-speech". The main character, Speedster, is a teenage boy who was born in a distant part of the universe, and has a special gift that makes him a "Speedster", capable of incredible feats of speed. One day, Speedster, along with other young heroines and heroes, are taken from their world to Valiant, to stop an enemy named the "Gorgon" from destroying Valiant. This plotline takes up the entire first chapter of the game, as well as the final chapter, which offers the epilogue of the story. After finishing the story, players are asked to make a choice of endings for the protagonist Speedster, in order to determine the ending to the story. The only way to determine these endings is to make choices that lead to different outcomes, that are what the player can do in the game. Characters The main character is Speedster, a boy who learns to use his gift for speed, becoming the "Speedster" of Valiant City. Speedster is responsible for much of the action in the game. He is known as the "Speedster", and it is his gift that makes him into a great hero. He takes his place as the "Speedster" after the legendary Speedster Solair. The main character of the game, Speedster is given the gift of "Speed" in an attempt to save his life. Lord Protector Rigel is the lord of Valiant. He is also a great hero in his own right, but he doesn't consider himself a hero. Lord Protector Lartax is the lord of Valiant. He is also a great hero in his own right. Lady Protector J'na is the lord's wife, and she has 82157476af
